

SPONSORSHIP

2025-2026

WHO WE ARE

Established in 1908, Aldgate Cricket Club has a strong association within the Hills Cricket Community. We strive to provide the best environment for all cricketers and foster a family culture. We are a club who are run by motivated volunteers and are driven to continue to provide opportunities for all junior grades and multiple senior teams.

FUTURE PROJECTS AND NEWS

In 2024-2025 the upgrade of our club rooms commenced with a new bar area and layout designed by long standing club members. We plan to continue this project by updating the area with disability access, improved heating and cooling, upgrades to the Barbecue area for safety, and better security.

With the cricket nets dating back to 2001, and the oval last resurfaced in 2002, the club upholds a large volunteer run responsibility of ground maintenance. With the sprinkler in need of repairs and the pitch requiring stick down matting, the Aldgate Cricket Club continues to be 1 of 3 clubs in the State who are required to do their own oval maintenance. This area is used by members of the community on a daily basis and as a club we take pride in providing a safe and welcoming environment.

We as a club want to ensure that as our community grows we are able to provide adequate facilities that are appropriate for female and male players and those of all ages.

WE NEED YOU

With over 100 members, we want to be able to continue to provide quality equipment including training items, cones, stumps, balls, first aid kits, high level coaching and clean and safe facilities. As we are a non for profit and run by volunteers passionate about meeting these expectations, we rely on the support of sponsors to be able to achieve this.

SPONSORSHIP

Your tax deductible sponsorship is not only a great way to gain visibility for your business, we get to support you in return.

Gold | \$1500
